YES

Kidderminster Town Hall Upgrade

Conservative Party Councillors who run Kidderminster Town Council are happy to: Spend £200,000 Kidderminster Education Fund money AND Borrow up to £500,000 from the Public Works Loan Board to pay towards its share of the £7Million + cost of the Town Hall Transformation Project.

This will cost a Band D Council Tax Payer £2.08 per year for the next 20 years.

St. George's Paddling Pool

Those SAME Conservative Councillors REFUSED to Borrow £104,000 which would have cost a Band D Council Taxpayer 67p a year to completely refurbish and upgrade the much loved St. George's Park Paddling Pool, install a pump and make sure it could stay open and give pleasure to local families for many years to come; in fact Conservatives wanted to put money in the Council Budget to dig the Pool up!

Thanks to Fran the Pool will be "mothballed" for a year to allow the community to try to raise the funds to keep this much needed facility. Contact US if you want to help Save the Pool.

So What do YOU think the local Community Values most? The Town Hall where entry tickets for events will be expected to make a profit or a FREE Paddling Pool which will give pleasure to many cash-strapped families for years to come?

Liberal Democrats say: "**Spiteful Conservatives know the Cost of Everything but the Value of Nothing!**"

Will YOU be allowed to Vote this May?

From May 2023 our Conservative Government **INSISTS** that everyone coming to Vote **MUST** bring Photo ID with them. This can be: Driving Licence, Passport, OAP Bus Pass (**NOT Student Bus Pass**). We recommend **Students to get FREE Citizen ID Cards OR** everyone can get ID online at www.gov.uk click on Voter ID.

Lib Dems say Pay Carers at least £2 an hour ABOVE Minimum Wage

Hundreds of people cannot be discharged from Hospital because there aren't enough Carers to look after them either in Residential Homes OR in their own Homes.

We say Government should insist that Care Staff are paid at least £2 an hour ABOVE Minimum Wage!

Graffiti

Your Liberal Democrat Team has asked

that this disgusting graffiti, on the Comberton Rd. Railway Bridge and on the alleyway from Comberton to Chester Rd.

should be cleaned up now! This spoils our area!

News Express Floodlights

We have asked for the floodlights on the front

of News Express, Burcher Green to be turned off. They shine into bedrooms!

Eastwood Drive Dumping

We were delighted to be able to get this mess cleared from the

Eastwood Drive Garage Site.

Appalling Road and Pavement Surfaces

Residents in both Shakespeare Drive and Merton Close have complained to us about the awful state of the pavements in the area; Merton Close also has a poor road surface.

We have passed the complaints to the local Tory County Cllr. Lets see if we get any ACTION!

LibDem Success in Parliament.

Thanks to LibDem MPs the Government has accepted an amendment which means that NO Water Company which is dumping sewage in our rivers will get any investment from the Government's Investment Bank. No thanks to our MP who voted to allow sewage dumping for years to come.

LibDems in Shrops. and Worcs are Campaigning together to stop river pollution.

Inconsiderate Parking, Nashe Close

Unfortunately some residents and visitors to Longfellow Green are causing real problems for residents of Nashe Close by blocking access to the garages.

We are working with Community Housing to identify the

individuals concerned.

Untaxed vehicles will be removed.

District Council to accept LibDem Budget Plan

We are delighted that the Independents who control Wyre Forest Council have accepted Liberal Democrat Budget Amendments. This means that from April you will have:

- * The Mike Oborski No Barriers Awards which recognise those who "Go the Extra Mile" to help people with Disabilities
- * A £5,000 fund to support Groups to Celebrate the Coronation
- * More Civil and Environmental Enforcement Staff to clamp down on Fly Tipping and Parking Offences
- * More seasonal litter picking in Tourist areas!
- * Live streaming of Cabinet Meetings so you can SEE Cllrs in action

We also support the plan to give funding to the Town Councils to organise events in parks.

County lets you down; AGAIN.

We raised with the Police the concerns of local residents about speeding on Husum Way on the estate side of the railway bridge. The Police agreed with us and have purchased a Vehicle Activated Sign which was to be placed there.

Amazingly a County Highways Officer REFUSES to let the sign be erected!
